

# NEXT STEP 2014 YEAR 12 DESTINATIONS Sunnybank Special School

## Introduction

This page presents a summary of results of the annual *Next Step* survey for Sunnybank Special School. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2013, whether they attended a government, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician’s Office conducted the survey between March and June 2014, approximately six months after the young people left school. Responses were collected via computer-assisted telephone interviewing and an online survey.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2014 at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Response rate for Sunnybank Special School

Table 1 below reports the response rate for Sunnybank Special School. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended Sunnybank Special School in 2013.

It has not been possible to ascertain how representative these responses are of all Year 12 completers from this school.

**Table 1: Survey response rate, Sunnybank Special School 2014**

Number of respondents	Number of students who completed Year 12	Response rate (%)
6	8	75.0

## Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

## Summary of findings

In 2014, two young people who completed Year 12 at Sunnybank Special School in 2013 continued in some recognised form of education and training in the year after they left school.

These two respondents entered campus-based VET programs at VET Certificate I–II level.

There were no respondents from this school who deferred a tertiary offer in 2014.

Four respondents did not enter post-school education or training, and were either employed (one) or not in the labour force, education or training (three).
